compares:

- GPA vs Typical_Academic_Requirement
- IELTS vs Typical_English_Requirement
- Budget vs Estimated_Tuition_USD_per_year

- Country preference vs **Country**
- Level match vs **Levels**

Then, it assigns a **Match Score** using a weighted formula

Case	Rule	Message
IELTS < required		"Your English level is slightly below this university's standard. We recommend a short English upgrade program."
No English, speaks French		"You can apply to bilingual or French-taught programs in Canada or France. English pathway required for USA/UK."
No French, wants France		"Add a French B1–B2 certificate to qualify for more universities."
English okay, but weak GPA		"Your language is fine — focus on improving academic documentation or motivation letter."
